*“The critical action of our time is to reconnect ourselves so that we can begin again to act as powerful villages.”*

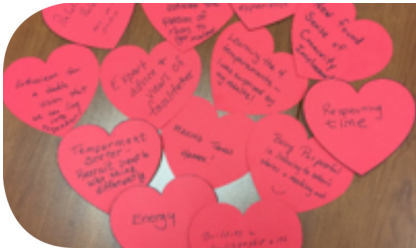

-- John McKnight, founder Asset Based Community Development Institute

## The Neighborhood Partners Network will help you make your neighborhood powerful!

- Bring a team from your neighborhood -- 4-6 neighbors is ideal
- Leave with tools you can use to build relationships and take action
- Fun, hands-on learning
- Binder of take-home materials
- Meals provided

*When this started, I saw myself as the new person on the block with little impact. Now I see more leadership and connecting opportunities, as well as ways that I can help others contribute.*

-- Becky Deuel, Erb Park

*I'm thankful for all of you experts, facilitators for your advice and your views and how you're able to teach us how to do that and take it back to our neighborhoods.*

-- Vicki Bokelman, Jefferson Park
