3. Statement of Compliance with Wis. Stats. §19.84 regarding Open Meeting Requirements

Ms. Kraemer Badtke stated the meeting was posted in compliance with Wis. Stats. Sec. 19.84 regarding the Open Meetings requirement and that it was a legal meeting.

4. Pledge of Allegiance

5. Moment of Silent Meditation

6. Approval of the Agenda/Motion to Deviate

Mr. Kautza motioned to approve the agenda as distributed, Ms. Kalata seconded the motion. The motion passed unanimously.

7. Public Comment

There was no public comment.

8. Approval of the Minutes of the August 5, 2021 Steering Committee Meeting Summary of Proceedings

Mr. Koeppen motioned to approve the summary of proceedings, Mr. Farrell seconded the motion. The motion passed unanimously.

9. Announcements and Discussion Items

Ms. Kraemer Badtke provided the following Community Facilities Committee updates: commissioner updates, temporary committee assignment, and new permanent appointment upcoming. There was discussion regarding a Steering Committee member sitting on the committee, Community Facilities Committee meeting procedures and meeting frequency, and sewer service area program improvements.

Ms. Kraemer Badtke also announced staffing changes: the senior planner position was offered to Ms. Paustian, who has accepted the position. A transition plan has been established and the Associate Transportation/Safe Routes to School planner position will be refilled.

A. Main Street Bounceback Grants Program Update

Mr. Englebert noted that the program launched in July, and that a considerable amount of inquiries had been received. Systems are now in place to track the information. Sixty-one grants were currently awarded and a strong level of interest has been received. A limited-term employment planner was hired in July and started the end of August and manages the program daily. The next steps for the program are: marketing specifically throughout the region to areas that have less applications than other areas. This is over half of the initial allocation which is half of Phase 1. Mr. Englebert provided an overview of the progress with Phase 1 funding.

There was discussion regarding the sale of a building in Shawano County and planned use of the building and grant qualifications. The owner of the property would be awarded the grant funding, not vendors in the shared space. There was also discussion regarding the response rate and grant submissions received from the City of Ripon.

10. New Business/Action Items

A. Discussion and possible action on the purchase of a new Commission vehicle.

Ms. Kraemer Badtke noted that this item was budgeted in 2020. Ms. Otting provided an overview of the details of the vehicle. Discussion took place regarding the ability to procure a vehicle, Ms. Otting replied that a vehicle would be ordered. Ms. Otting provided an overview and facilitated discussion regarding: vehicle mileage, issues in current vehicle, staff preferences to not use the Commission vehicle based on condition, age of current vehicle, all wheel drive versus front wheel drive choice, and committee recommendations. It was determined by committee members that an all-wheel drive vehicle that we could get the earliest would be the one to choose.

Ms. Kalata motioned to approve the purchase of a new Commission vehicle, Mr. Albrecht seconded the motion. The motion passed unanimously.

B. Discussion and potential action on the intergovernmental agreement with the Fond du Lac Metropolitan Planning Organization (MPO).

Ms. Kraemer Badtke stated in the past there has been an agreement with the Fond du Lac Metropolitan Planning Organization (MPO). Staff have been working with Ms. Benson and Mr. DeVries to revise the agreement that would be between ECWRPC and the Fond du Lac MPO. Previously, there was a 5-year agreement, now it will be a 10-year agreement based on the decennial census. The agreement was to align with compliance measures from the federal transportation bill. The local match is provided by Fond du Lac County. The Fond du Lac MPO Technical Advisory Committee has seen the draft agreement. The bylaws have also been updated.

Mr. Kautza motioned to approve the intergovernmental agreement with the Fond du Lac Metropolitan Planning Organization, Mr. Albrecht seconded the motion. The motion passed unanimously.

C. Discussion and update on 2022 Transportation Program funding.

Ms. Kraemer Badtke noted the 2022 Transportation Work Program and Budget is being brought forward to the Steering Committee. Allocations have decreased for next year. Amounts for the last 5 years have been included. Ms. Kraemer Badtke provided an overview of the staffing needs and carryover into 2022. There are multiple projects included, and there are less projects listed this year in order to focus on larger anticipated projects. Ms. Kraemer Badtke noted the decrease in funding for the Fond du Lac MPO and that the regional transportation program has not had an increase in ten years. The transportation work program has been drafted and will go to the Transportation Committee in October, and Ms. Kraemer Badtke outlined the submittal process.

D. CLOSED SESSION: The Committee will convene, if needed, into closed session pursuant to Section 19.85(1)(c) of the Wisconsin Statutes to consider personnel matters and compensation.

Mr. Kautza motioned to move into closed session, Mr. Albrecht seconded the motion. A roll call vote was taken to move into closed session: Mr. Nooyen (yes), Mr. Farrell (aye), Mr. Koeppen (yes), Mr. Kautza (yes), Ms. Kalata (yes), and Mr. Albrecht (yes). The roll call vote passed unanimously. (There were two Commissioners absent: Mr. Johnson and Ms. Connors.) The committee moved into closed session at 2:32 p.m.

E. RECONVENE INTO OPEN SESSION: The Committee will reconvene into open session pursuant to section 19.85(2) of the Wisconsin Statutes to take action, if necessary, on the above matters.

A roll call vote was taken to move into open session: Mr. Nooyen (yes), Mr. Farrell (aye), Mr. Koeppen (yes), Mr. Kautza (yes), Ms. Kalata (yes), and Mr. Albrecht (yes). The roll call vote passed unanimously. (There were two Commissioners absent: Mr. Johnson and Ms. Connors.)

i. Action from closed session discussions.

Mr. Kautza motioned to approve the hiring an Associate Transportation/Safe Routes to School Planner and to hire a transportation consultant. Mr. Albrecht seconded the motion. The motion passed unanimously.

Mr. Farrell motioned to approve the position and salary adjustments as presented in closed session, Mr. Albrecht seconded the motion. The motion passed unanimously.

F. Approval of the 2022 Employee Health Insurance, Dental Coverage & Vision Program.

Ms. Otting provided an overview of the insurance items. The biggest change is that there have been two Tier 1 plans in the past. Now there is one Tier 1 plan and one Tier 3 plan. Ms. Otting provided an overview of the Tier 3 health insurance change and noted that with a Tier 1 plan moving to a Tier 3 plan, there is no average to use. Ms. Otting explained the average and comparison system. The employee will pay the increase of the Tier 3 plan. Mr. Englebert provided an overview of the options presented. Ms. Kraemer Badtke also noted that staff reviewed how this was different from the 2021 budget and what was approved in the draft budget in July. Proposal B is recommended, which is 20 percent premiums paid by the employees and 80 percent premiums paid by the Commission. Ms. Otting explained Proposal B and provided a comparison to the previous year increases. Ms. Otting also outlined Proposal C and a future annual projection for that proposal.

There was a discussion of number of insurance providers and offerings to staff. Staff currently have four insurance options, Ms. Kraemer Badtke outlined the insurance providers, staff preferences, and noted that all options must be provided to staff.

Discussion occurred regarding locations and insurance offerings and geographic differences in insurance offerings. Mr. Englebert noted the plan similarities and features described for WEA Trust and Network Health, the plans are the same except for the clinics and hospitals that are covered. Ms. Kraemer Badtke noted that staff also looked at a high deductible plan offered by Employee Trust Funds (ETF) to compare the premiums, and the premiums were comparable. Ms. Otting briefly outlined the high deductible plan in comparison to the other plans outlined. There was discussion of the impact on the budget and the savings to the Commission.

Ms. Otting also briefly overviewed the changes to the supplemental and supplemental plus dental plans, vision coverage, and accidental insurance policy.

Mr. Farrell motioned to approve the Proposal B for the health insurance premiums for 2022. Mr. Koeppen seconded the motion. The motion passed unanimously.

11. Informational/Discussion Items

A. County Roundtable Discussion

There was discussion regarding county budget items and staffing.

12. Establish Time and Place for Next Commission Meeting

A. *Steering Committee Meeting:* *The next Steering Committee meeting will take place on Wednesday, October 20, 2021 at 1:30 p.m. Further details will be forthcoming.*

There was discussion regarding the next meeting of the Steering Committee. The next meeting will be tentatively scheduled for Thursday, October 21st at 9:00 a.m. and will be a virtual meeting.

B. *Commission Meeting:* *The next Commission meeting will be held on Friday, October 29, 2021 at 10:00 a.m. An agenda and meeting materials will be forthcoming.*

There was discussion regarding the Commission meeting and that the meeting will be a virtual meeting.

There was also brief discussion regarding redistricting maps in the counties.

13. Adjourn

Ms. Kalata motioned to adjourn, Mr. Farrell seconded the motion. The motion passed unanimously.

The meeting adjourned at 3:02 p.m.

East Central Wisconsin Regional Planning Commission, October 29, 2021 Report

By Melissa Kraemer Badtke, Executive Director. Update on highlighted activities.

Staff Updates: Erin Bonnin recently accepted a new position and we are in the process of hiring a new Administrative Coordinator. In addition, the Commission is also hiring for two Associate Transportation/Safe Routes to School Planners.

Gubernatorial Appointments: All of the member Counties have approved the resolution of support to modify the board composition for the Commission. Staff attended the Shawano County, Outagamie County and Waushara County Towns Association Meetings and discussed the process to revise the Board Composition. Staff is continuing to work with local municipalities to approve resolutions.

2022 Work Program and Budget: The 2022 Transportation Budget and Work Program was approved by the Transportation Committee and will be considered by the Commission board at the Quarterly Commission Meeting in October. The Fond du Lac MPO Policy Board approved their 2022 budget and work program. Staff is continuing to work on the 2022 Work Program and Budget. A copy of the draft budget will be available in November/December for review.

RE: Economic Development Program Update

Main Street Bounceback Grants Program Update

The Main Street Bounceback Grants Program officially launched on August 9, 2021 and got off to a rapid start. Initially, we witnessed a rush of inquiries for the program which created a minor backlog for responses. East Central staff developed systems for logging inquiries, tracking grant applications and materials, and monitoring grant disbursements. We have caught up with the initial backlog of inquiries and are also mostly caught up on the application backlog. After the initial fast start, inquiries and grant applications have slowed, but they are still coming in consistently around 10-12 applications per week.

At this point, we are able to process grant applications and fund awards within a 1-2 week turnaround time assuming all application materials are complete. We have two staff independently reviewing application materials for approval. Upon approval, we send one batch of checks out weekly to awardees with a cover letter for each award. The responses from approved businesses has been overwhelmingly positive.

The table below reflect grant inquiries, applications, and awards funded as of 10/21/2021.

East Central Main Street Bounce Back Program Status Update October 21, 2021	
Inquiries Received	457+
Applications Received	155
Applications Approved	128
Applications Funded	117
Applications Denied	6
Total Amount Approved to Date	\$1,280,000
Administrative Reimbursement to ECWRPC to Date	\$32,000
Total Available for the Main Street Bounce Back Program for the East Central Region	\$3,000,000
Percent of the Main Street Bounce Back Program Allocation Administered to Date	42.7%

Per East Central's contract with WEDC, we've received \$3,000,000 in two tranches of funding to award grants to businesses. Currently, we have administered approximately 43% of our total program allocation over the first ten weeks.

The following table shows grant awards by county within the East Central region.

East Central Region County	Grants Awarded
Calumet County	5
Fond du Lac County	21
Green Lake County	6
Marquette County	1
Menominee County	1
Outagamie County	47
Shawano County	10
Waupaca County	14
Waushara County	2
Winnebago County	21

We have also systematically collected all successful application data so that we can uncover more detailed information about applicants and the program generally. Some of this data includes the business’s municipality, product or service, demographic information, and planned use of funds. We hope that this data will be able to provide insight into areas of our region with comparatively less applications so that we can tailor future marketing efforts. Additionally, we want to monitor all aspects of the program to determine its effectiveness and whether the program is meeting its intent.

CARES Act Technical Assistance Downtown Walkabouts

As part of East Central’s CARES Act award, \$60,000 was identified to go towards a small business and community technical assistance program. During the summer, we solicited proposals and hired Ayres Associates to help us conduct the technical assistance program. Communities throughout our region were invited to apply for the program, and we received 26 applications, which exceeded our expectations. A core team of stakeholders throughout our region selected eight communities to receive assistance based on the competitiveness of their applications as well as our program budget and capacity.

The technical assistance program will be conducted over two rounds. Activities consist of visioning sessions, downtown walkabouts, zoning consultations, and project collaborations. The first round of the program was completed during the week of October 11th, and the second round is scheduled to take place the week of November 8th. The communities selected for the program are as follows:

Week of October 11th
 City of Kaukauna
 City of Ripon
 Village of Hortonville
 Village of Scandinavia
 Village of Winneconne

Week of November 8th
 City of Omro
 City of Seymour
 Village of Westfield/Marquette County

The technical assistance program has been conducted for five communities, and there has been a lot of great collaboration and response during the first round of the technical assistance projects. Below are some pictures from the first round of the program. Our hope is that this program will energize communities to work collaboratively on viral community projects and provide some ideas and solutions for community issues and opportunities.

RE: Intergovernmental Agreement with the Fond du Lac MPO

Recently, staff reviewed administrative documents for the Fond du Lac Metropolitan Planning Organization (MPO) and found a memorandum of agreement between the Fond du Lac MPO and East Central Wisconsin Regional Planning Commission. Staff discovered that the last agreement that was signed governing the MPO was from 2007.

The City of Fond du Lac was designated as the MPO in 2002 and at that time the Fond du Lac MPO and ECWRPC entered into an agreement for ECWRPC to provide staffing for the MPO. ECWRPC is the designated MPO for Appleton (Fox Cities) and Oshkosh. Currently, ECWRPC staff provides to the Fond du Lac MPO administrative, planning, and programming support to ensure program deliverables are completed and in compliance with federal and state regulations.

East Central staff worked with the Fond du Lac MPO Chair, Dyann Benson and the Vice Chair, Paul De Vries to update and revise this document. Revisions to the document include:

- This will be a 10-year agreement vs. a 5-year agreement to be in alignment with the U.S. Decennial Census Data and corresponding to when the boundaries for the MPO are updated.
- The roles and responsibilities have been updated to align with compliance measures from the federal and state government that the Fond du Lac MPO and ECWRPC staff is responsible for.
- The local match for the Fond du Lac MPO program is provided by Fond du Lac County as a member of the Commission.

The Fond du Lac MPO Technical Advisory Committee and the Fond du Lac MPO Policy Board have reviewed the revised agreement and do not have any revisions regarding the agreement. The agreement was approved by the Fond du Lac MPO Technical Advisory Committee and the Fond du Lac MPO Policy Board meeting on Wednesday, October 6, 2021.

Staff Recommendation: Staff recommends the approval of the Intergovernmental Agreement with the Fond du Lac MPO.

PROPOSED RESOLUTION 30-21

**MEMORANDUM OF AGREEMENT BETWEEN THE CITY OF FOND DU LAC AS
FOND DU LAC METROPOLITAN PLANNING ORGANIZATION AND THE EAST
CENTRAL WISCONSIN REGIONAL PLANNING COMMISSION**

This Memorandum of Agreement establishes the policy relationship, administrative activities and roles and responsibilities between the City of Fond du Lac as the designated Fond du Lac Metropolitan Planning Organization (MPO) and the East Central Wisconsin Regional Planning Commission (ECWRPC). The City of Fond du Lac will work in collaboration and cooperation with the communities that comprise the Fond du Lac MPO. The Fond du Lac MPO is required to carry out federally-mandated transportation planning and programming functions and deliverables for the Fond du Lac urbanized area as outlined within the 23 C.F.R. 450 and 49 U.S.C. §5303.

Metropolitan Planning Organization Requirements

On May 1, 2002, the U.S. Census Bureau designated, a new urbanized area consisting of the City of Fond du Lac, Village of North Fond du Lac, and portions of the Towns of Empire, Fond du Lac, Friendship, and Taycheedah. Sections 23 U.S.C. 134 and 49 U.S.C. 5303 of the Federal regulations require “that a Metropolitan Planning Organization (MPO) be designated for each urbanized area, that the metropolitan area have a continuing, cooperative, and comprehensive transportation planning process that results in plans and programs that consider all transportation modes and support metropolitan community development and social goals.”

The Fond du Lac MPO will be responsible for the following:

- Carry out the metropolitan transportation planning process.
- Determine mutual responsibilities in the metropolitan planning process.
- Develop an annual unified planning work program.
- Develop an annual transportation improvement program (TIP).
- Develop and approve the long-range transportation plan and its periodic updates.
- Develop and update performance measures.
- Approve, along with the Governor, the Transportation Improvement Plan (TIP) and its amendments.
- Certify, along with the State, that the planning process that complies with the requirements of applicable U.S. codes, federal laws and regulations.

Fond du Lac MPO Structure

The MPO was appointed and functioning prior to May 1, 2003 “by agreement among the Governor and general-purpose local units’ governments representing 75 percent of the affected metropolitan population.” The work of the MPO shall be directed and approved by a policy board representing the affected urban area communities and with guidance provided by the technical advisory committee. A professional staff shall provide administrative, planning and technical work activities to carry out the transportation planning process.

ECWRPC is a regional planning commission under Wisconsin State Statutes §66.0309, a ten-county region, in which Fond du Lac County is a member. As a member of East Central

Wisconsin Regional Planning Commission, Fond du Lac County pays an annual levy, which is determined and approved by the Commission in July of each year. The levy paid by Fond du Lac County will be provided as the local match for the Fond du Lac MPO program and additional Commission programs including the Regional Transportation Program, the Economic Development program and the Water Quality Management Program. If Fond du Lac County is not a member of the Commission, the local municipalities will contribute the local match to the Commission for the Fond du Lac MPO Program.

Roles and Responsibilities

The Fond du Lac MPO Policy Board and the ECWRPC agree to the following conditions and responsibilities:

- Will provide and communicate any updates regarding any revisions to federal and state regulations as it applies to program deliverables for the Fond du Lac MPO Policy Board and Technical Advisory Committee. The Commission will also work with the Fond du Lac MPO to implement any of the revised regulations.

Amendments

No modification, alteration, or amendment to this agreement shall be binding upon any party hereto (Fond du Lac MPO Policy Board and East Central Wisconsin Regional Planning Commission) until such modification, alteration, or amendment is reduced to writing and executed by both parties hereto. Amendments shall require 2/3 vote from Fond du Lac MPO Policy Board. Amendments shall be considered by East Central Wisconsin Regional Planning Commission Steering Committee and the Commission Board in accordance with the Commission's By-Laws.

Severability Clause

If any provisions of this Agreement shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstance

shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

This agreement shall become effective upon approval of the Fond du Lac area MPO Policy Board and ECWRPC Commission Board, and shall remain effective and until October 30, 2031, upon which the agreement may be renewed for ten years. This agreement may be amended upon written request from either party. This agreement may be discontinued at the end of the calendar year with at least six months notice.
