

2021-2022 Community Facilities Committee Meeting Schedule

East Central Wisconsin Regional Planning Commission

The Committee has tentatively scheduled four regular meetings, to be held on the **2nd Wednesday of the month preceding the quarterly commission meetings at 10:00 a.m. (exception December and January meeting)**. The meetings will be typically held at the offices of East Central Wisconsin Regional Planning Commission or virtually, however; they may vary depending on the nature of the agenda items. In order to allow staff sufficient time to review and address proposed SSA Plan Amendments, all formal written requests and the required supplemental materials must be submitted approximately 30 days prior to the meeting date to be considered for the agenda. Unless there is an unusual situation which requires more immediate action, a minimum of two formal action or review items are typically required to convene a Committee meeting.
